SCHOLARSHIP COMMITTEE REPORT

CHAPTER COMMITTEE MEETING

June 23, 2021

Discussed possible process to propose for future OMO scholarship awards

- All OMO scholarships should receive the same review process
- Scholarships awarded by other chapter committees should coordinate with the Scholarship Committee
 - Provide scholarship description by deadline
 - Work within the Scholarship Committee's established timeline
 - Provide committee members to participate in the Scholarship Committee's applicant review and selection process
 - Contribute funding to the OMO scholarship celebration if the Scholarship Committee's budget does not accommodate the chapter committee's additional awardees

Action Items Completed:

- Certificates, flowers, and other gifts were given to the students.
- \$3500 for scholarships
- Click here for budget amounts for [celebration items](#).

Budget requirements for the committee are:

- The Scholarship Committee submitted a request to the Finance Committee for \$11,700 for 2022 scholarships and expenses.
- There are more students with financial need. Out of 36 strong applications in 2021, we were only able to award 3 chapter scholarships. We would like to help more students. We would like to be able to pay for the student's meals if we are able to celebrate in person.

Anticipated Future Activities

Action Items In Progress/Pending:

- Submit vouchers for expense reimburse
- Collect proof of college admission
- Distribute financial awards

Recommendations to [Executive Committee] [Chapter]

None.
