

ALPHA KAPPA ALPHA SORORITY, INCORPORATED®
OMEGA MU OMEGA CHAPTER
CONSTITUTION AND BYLAWS COMMITTEE REPORT
Chapter Meeting
September 23, 2021

The Constitution and Bylaws committee ("CBL Committee") did not meet in June 2021 or September 2021 due to no new business following the summer hiatus.

Old Business

A. Status of revised Chapter Bylaws

- The revised Chapter Bylaws were submitted to Madam Regional Director in February 2021. Madam Basileus received a response on the voted on revised bylaws on June 22, 2021. Madam Basileus and I conferenced with Madam Regional Director by phone and to review the directed revision to the chapter-approved proposed bylaws. The bylaws with the directed revisions will be presented to the Chapter at our September 2021 chapter meeting. The current bylaws remain in effect.

B. Status of Standing Rules

- Chapter members voted on proposed standing rule changes (7) at the May Chapter meeting. All proposed amendments passed.
- There is a proposed standing rule from the Social Amenities committee that was presented in May but tabled and carried over to the June chapter meeting for a vote. Social Amenities committee submitted to the CBL committee the revised final version of their proposed standing rule change. The proposed standing rule was shared via email with the CBL committee on June 10, 2021, presented for a vote at our June chapter meeting and approved.
- Approved standing rules will be submitted along with revised chapter bylaws to Madam Regional Director after our September meeting for her review and approval.

C. Documents and Future Events

- CBL committee is still looking to present a fun way to teach Sorors about our documents and parliamentary procedure. Plans are to host a happy hour game show format event on Parliamentary Procedure "***Relax and Learn --Don't Relax-- the Rules!***" A firm title and date are tbd. The goal is for a relaxed, fun and sisterly way of discussing Robert's Rules of Order. Event may be done in partnership with Sisterly Relations committee.

Recommendations to the Chapter: Please continue to review all chapter documents.

Suggestions/Comments:

We want everyone to be active and informed! Please bring your international documents to our meetings. Once the Chapter documents are updated, a few copies will be made and available during our meetings.

The Committee's next meeting will take place in October 2021 (date and time tbd) by video conference or conference call.

Respectfully submitted,
