Recommendations to [Executive Committee] [Chapter]:

The committee members in attendance discussed the following changes or additions to be made to our . scholarships:

- Changing the requirements for the **Continuing Education Scholarship** to make it inclusive of schools outside of the immediate Philadelphia with the focus being on our newly adopted school Lincoln University. We decided in the interest of transparency we would do a poll in order to be inclusive of the sorors who were unable to attend the meeting.
- Establishing an OMO Disciplinary Scholarship to be funded by a group of Sorors. We discussed presenting the proposal to our educators within the chapter to establish a Book Award for a scholar pursuing a degree in education as our first discipline. The award would need to be at least \$500
- Opening the floor and timeline for any Soror(s) who wanted to establish a Name Scholarshi

Suggestions/Comments: The committee members in attendance also saw the need to make a concentrated effort to make sure our marketing attracts male candidates.
