**Executive Committee Meeting
February 16, 2022**

New- Business:

- MAL committee meeting will take place on February 16th at 6pm.
- The transition document was completed by the due date of 31Jan2022.
- At the MAL meeting in January we discussed several things that we felt would be beneficial for the chapter. The items discussed are below.
 - **Items discussed:**
 - MALM moment to be shared at chapter meeting. Which would be a proactive measure for Sorors to take to think about actions /responses before doing so
 - Q&A platforms: Committee discussed Q&A platforms that Sorors can use prior/during the meetings to ask questions. This will hopefully eliminate redundancy; be more streamlined in identifying questions; and provide a sense of anonymity for Sorors to feel comfortable when asking questions
